#55, Freetown Road - Lumley (Freetown)

Given by Mrs. Emma B. Suma

Mobile Phone No 077-342728

I, Emma B. Suma provide the following facts:

- A. I cleaned the apartment of Mr Helmut F. Giesa for a period up to 18 months till end of Dec, 2012. I stayed in the apartment from early morning to late afternoon, from Monday to Saturday, except holidays.
- B. I acknowledge that either myself or fellow occupants inclusive Mr. Helmut have nothing damaged like fitting structures, furniture and appliances at all.
- C. I confirm further on that the house/apartment have been brushed & cleaned properly - with the help others - to handover the apartment on 30. December 2012.
- D. I know that Mr. Helmut or other occupants could not damage the parts of the apartment incl. gadgets, because such tools have not been available in the household - and I have not seen any heavy equipment to destroy the "accused" damage.
- E. I can confirm that Mr. Watfa has changed the apartment from one to two - after the move out of Mr. Helmut. A lot of construction works were been executed. I have seen this with my eyes, because I visited family Watfa's housekeepers JSATU and FATMATA, who are my friends.
- F. Jsatu has delivered a baby and is still working with MR. Watfa.
- G. Fatmata does not work anymore, since Mrs. Watfa has returned to USA in the new year 2013.
- H. New tenants are already living in one of the divided apartments.
